5th January 2021

H. E. Marshal Kim Jong Un,
Chairman of State Affairs,
DPRK.

Your Excellency,

8th Congress of the Workers' Party of Korea

The NZ-DPRK Society sends its greetings to the people of the DPR Korea, the members and delegates of the Workers' Party of Korea and to Chairman Kim Jong Un on the occasion of the 8th Congress of the WPK.

2020 has been a difficult one for the people of the world with the onslaught of the Coronavirus Pandemic. It has been especially testing for the DPR Korea because of the relentless hostility policy of the United States and the sanctions it has been able to impose.

The DPR Korea has successfully handled both challenges but it is clear that formulating strategic responses for 2021 will be a daunting task, requiring imaginative and courageous thinking and determination in implementation.

The WPK has shown in the past that it is capable of that so we can approach the upcoming Congress with confidence that Chairman Kim Jong Un and the leadership of the Party will forge a path through the thorns of 2021.

At the same time we must recognize the difficult circumstances facing the DPR Korea and so we send our hopes and support for a successful Congress and our best wishes for 2021.

Sincerely,

Tim Beal
Chairman
